EXPERIENCE

Rutgers University Office of Information Technology, Piscataway, NJ

IT Consultant → Level 2 IT Specialist & Supervisor-in-Training Oct 2023 – Present

- Provide advanced technical support through office dispatch visits and complex troubleshooting.
- Resolve hardware, software, and enterprise system issues via ServiceNow and Five9, ensuring efficient ticket management and user satisfaction.
- Deliver remote and in-person desktop support, including network connectivity, system configuration, and application troubleshooting.
- Oversee day-to-day computer lab operations and supervise lab staff as part of supervisor-in-training responsibilities.
- Serve on the after-hours data center support team, monitoring critical infrastructure and independently escalating calls when the Help Desk is closed.

Rutgers University – Biomedical Engineering Department, Piscataway, NJ

McNair Scholar Research Intern Summer 2025

- Conducted tensile testing of ligament analogs using an Instron 5869, designing experiments across baseline, damaged, and treatment groups to analyze stress–strain curves for tensile strength and modulus.
- Presented findings at the McNair Summer Research Symposium, highlighting potential applications in regenerative biomaterials and neurotechnology.

Rutgers University – Residence Life, Piscataway, NJ

Resident Advisor Aug 2025 – Present

- Support the academic, personal, and social development of residents within an on-campus community.
- Mediate conflicts, enforce community standards, and respond to residential concerns and crises in a timely and professional manner.
- Plan and facilitate community-building and educational programming for residents.

Rutgers University – Thrive SSS, Piscataway, NJ

Peer Mentor Oct 2024 – Present

- Provide holistic support to first-generation, low-income, and students with documented disabilities across academic coursework, professional career development, and personal life development.

KIPP Academy, Lynn, MA

Operations Intern Jul 2024 – Aug 2024

- Prepared facilities and instructional materials for the academic year by coordinating resources and supporting teacher onboarding.

Charles River Associates, Boston, MA

Marketing Intern Jul 2023 – Aug 2023

- Organized B-roll video assets in Excel to streamline internal and external event production workflows.
- Built presentations on email marketing performance by transforming Excel data into charts and conducting multi-year analysis.
- Edited and formatted CRA's monthly Antitrust and Competition Practice newsletter, enhancing clarity and communication of publications, projects, and events.
